Mysore Geological Department.

GEN. & REV. SECRETARIAT
30 SEP 1924
INDUSTRIES & COMMERCE
BRANCH.

Bangalore, 26th Sept. 1924.

Dear Sir,

In reply to your urgent and confidential D. O. No. I.C. 2097/Geol. 38-24, regarding my office assistant, Mr. P.A. Swami Chetty's retention in service or otherwise beyond the date of his attaining the 55th year on the 16th May 1925, I am to state as follows

2. Before my departure to Europe on long furlough leave, Government graciously gave me the choice of picking a candidate among a number of secretariat men for my office assistant and ~~they~~ were also pleased to approve of my selection for reasons I put forward in favour of Mr. Swami Chetty.

3. Since his entertainment in this office I have had very little opportunity of guiding and watching his work and progress. Mr. Sen, the Offg. Director, informs me that he is conscientious and trustworthy in his work but that he has not shown much promise for initiative and technical office work of this Department.

4. I am fully aware of the trying and disadvantageous conditions under which Mr. Swamy Chetty had to work and it is too much to expect of him in the short period of his service in this Department any tangible powers for initiation work.

5. Judging from my few days' experience of his office work I am inclined to think that his conscientious, trustworthy and loyal methods of work will be very useful to this Department.

6. As he is willing to continue in service and is physically fit, as far as I can see, I feel justified in recommending the Government to retain his services until such time as his future extensions may have to be sanctioned by the Head of
